

EXPOSICIONES TEMPORALES DE ÁGORA GALERÍA DEL PUEBLO

PRIMER TIMESTRE

No.	Fecha	Descripción de la actividad	Evidencia
1	6-marzo	Montaje e inauguración "El universo de ser mujer en la ciudad" de Ilse Hidalgo	 <p>A collage of eight photographs documenting the preparation and opening of the exhibition. The images show: a person on a ladder mounting a large black and white portrait; several framed artworks displayed on a wall; a table with various items and a sign; a person holding a colorful, patterned fabric piece; a group of people gathered around a table during the inauguration; and a close-up of a framed artwork featuring a woman's profile.</p>
2	2 al 31 de marzo	Investigación, adecuación de sala, diseño, recepción de piezas y montaje de la exposición "Reflexiones de luchas e identidades compartidas" de las curadoras Monserrat Navarro y Carolina Carreño.	 <p>A collage of five photographs showing the preparation for the exhibition. The images include: a group of people in a meeting; a person working on a large, colorful, abstract artwork; a view of the gallery space with a table and chairs; a person standing near a wall; and a close-up of a table with various items and a sign.</p>
